

Empire State Supervisors and Administrators Association

Supporting School leaders. Every day.

Who We Are

A statewide organization with a personalized, regional approach providing educational leaders in New York:

- ★ A comprehensive collegial network
- ★ Comprehensive legal services
- ★ Advocacy at the local and state level
- ★ Access to professional learning designed just for you
- ★ Agency through membership in a strong professional union

Why Choose Us

Legal Services

Our Attorneys separate ESSAA from the rest

- Expert legal protection from practiced public sector labor law attorneys that safeguards your career during negotiations, contract grievances, Taylor Law claims, PERB matters, and disciplinary proceedings.
- Direct and personal relationships with your regional attorneys.
- Access to your attorney whenever you need a safe, confidential resource to think through a challenging situation.
- Peace of mind, knowing your ESSAA attorney has your back and is always only a phone call away.

Advocacy

ESSAA gives voice to school leaders

- Developing legislative and NYSED advocacy platforms for what you, and the schools you lead, need to succeed.
- Influencing emerging laws and regulations, ensuring that our members have timely and accurate information on issues and decisions that impact school policy and funding.
- Providing guidance and support as new regulations and laws are enacted.
- Enabling a constant flow of feedback and information to and from our membership and the State Education Department and elected officials.

Professional Learning

ESSAA understands what it takes to be an effective leader

- Guiding and supporting you through each phase of your professional journey.
- Developing leadership skills, informing the growth and improvement of our members and their schools.
- Keeping you apprised of educational trends and personalizing professional learning to meet the unique needs of public-school administrators in New York.
- Collaborating with a range of practitioners, researchers, and other organizations to provide access to helpful tools and best practices in school leadership.
